

Welcome to LUMELIGHT CORA

Your new starting point for accessing Lumelight solutions and compliance tools. CORA is designed to be intuitive, but if you need a quick reference, this guide will help you find what you're looking for.

First Time Logging In?

- **GO TO:** cora.lumelight.com and it will take you to Lumelight CORA
- Use your existing credentials
- Set up multi-factor authentication (if applicable)
- Select your default profile (if applicable)

A I Want to Access My Solutions

FROM YOUR DASHBOARD:

1. Select the solution you need
2. You will be routed to the relevant system to complete your work
3. Complete your work as usual

The new CORA dashboard is your centralized starting point. Certain workflows will continue in existing systems for now and may move into CORA in future updates.

B I Want to Understand My Risk Exposure

FROM YOUR DASHBOARD:

1. Select Compliance Assessment
2. Complete the guided questions
3. Save and return at any time

YOUR RESULTS WILL DISPLAY STATUS INDICATORS SUCH AS:

- On Track
- Needs Attention
- At Risk

Results remain accessible from your dashboard after completion. If you get an "At Risk" assessment, we encourage you to contact the CORA Support Team.

C I Want to Manage My Account

FROM YOUR PROFILE SETTINGS, YOU CAN:

- Update your password
- Adjust authentication settings
- Edit profile details

IF YOU ARE AN ADMIN USER, YOU MAY ALSO:

- Add or remove users
- Add organizations
- Manage administrative permissions
